GLOBALIZATION AND ITS EFFECTS ON HAPPINESS & CULTURE

3-credit | PA 4490 | May Session

Combine learning and adventure as you explore the leadership topics of globalization, happiness, and culture.

- Meet with local leaders to examine non-western philosophies on leadership.
- Experience Bali by exploring local art, religion, Indonesian language, and food.
- See living examples of responses to globalization.
- Immerse yourself in the Balinese culture while living with a host family.
- Explore the landscape as you snorkel, bike, hike, and swim Bali.
